Student Free Response Feedback:

- Loved this
- Absolutely love these binders!
- I felt that the binder was very useful yet it was hard for me to organize myself because once you failed to update your binder it can be messy to reorganize the binder back again.
- It was a good approach to help students stay organized. I myself felt that it helped me be prepared for class and stay on track.
- Good Method.
- Organized binder has helped me stay on track.
- I like the Agenda sheet that we used, it helped to look back on what is due if I forgot, it served as a great reference throughout the week or over the weekend. and I liked the Learning Log because I was able to express myself to the instructor and provide feedback on things the instructor wanted to know.

Student Free Response Feedback:

- I loved the organized binder
- ALTHOUGH THE BINDER CAN SOMETIMES, BE A SMALL HASSLE. IT IS VERY VERY USEFUL.
- I think there should be a list of items that need to be in the binder before a binder check
- IT IS VERY HELPFUL
- Provides Clearer Understanding of Organization.
- OVER ALL IT WAS HELPFUL TO HAVE AN ORGANIZED BINDER
- This is a really good idea
- THE BINDER CAN ONLY IMPACT YOU POSITIVELY
